## IF ONLY I HAD ...

**Sara Silm** teaches at the International School of Colour and Design ([iscd.edu.au](http://iscd.edu.au)) and is co-owner of HOME Residential and Commercial Design ([makingbeautiful.com.au](http://makingbeautiful.com.au)). Sara has travelled the world in search of her home-making foundations, gaining styling experience, antiques knowledge and expertise in the building and trades industry.

**Clock** I'd love this blue/grey decorative clock.

● **Swedish Mora Clock**, from around \$2676, from Antique Clock, [antiqueclock.co.uk](http://antiqueclock.co.uk)

**Chair** This Saarinen womb chair and ottoman would be a welcome addition to my home.

● **Chair and ottoman**, from around \$4978 for both, from Knoll, [knoll.com](http://knoll.com)

**Painting** This is *Looking Over The Fence*, 2008, by David Bromley. David's portraits are so like my children that they never fail to tug at my heart strings.

● **Painting**, \$22,000 (unframed), available from Jan Murphy Gallery, [janmurphygallery.com.au](http://janmurphygallery.com.au)
